

Citizen Centric Report FY- 2020 Department of Public Works, Tinian

Our Mission:

The Department of Public Works is mandated by law to maintain all public roads, including but not limited to, pave or unpaved roads for safety of all motorists. In addition, it is tasked to maintain all safety signs, guard rails, drainages, paint lines, and install reflectors on all highways and roads, as needed. DPW is responsible for inspection and enforcement of all building safety codes on all building construction. Also, the department is empowered to collect and dispose of solid wastes and collect fees by regulation for collection and dispose of wastes.

OUR PROGRESS SO FAR...

- **Completed Tinian Transfer Station for Solid Waste**
- **Working with CIP office to help provide all equipment needed to start operations at Transfer Station**
- **Mr. Gibert Chafarous, a representative from Far East Equipment performed training with Solid Waste operators on some equipment and more trainings to be provided as equipment arrives.**

Our Finances Include..

Our physical budget includes appropriations from our local funds (1481). These appropriations pay for our personnel & fringe benefits, travel, operational and office supplies, fuel and lubricant, and other fees or necessities needed.

We are looking into other sources that we may benefit from such as federal grants, etc.

Solid Waste employees are funded under a federal revolving fund including their operational supplies that are needed, etc.

2021 Goals

- **Operation of Tinian Transfer Station**
- **More road paving projects**
- **Purchasing more heavy equipment needed**
- **More trainings/workshops for staff**
- **Recruiting a civil engineer**
