*Twentieth Legislature
of the
Commonwealth of the Northern Mariana Islands*
IN THE HOUSE OF REPRESENTATIVES

FIRST DAY, FIRST SPECIAL SESSION

APRIL 24, 2018

H. B. No. 20-155, HD1

AN ACT

**TO REQUIRE ALL COMMONWEALTH GOVERNMENTAL ENTITIES
TO SUBMIT AN ANNUAL "CITIZEN-CENTRIC REPORT" OF
THEIR ACTIVITIES.**

**Be it enacted by the Twentieth Northern Marianas
Commonwealth Legislature:**

1 Section 1. Findings. The Legislature finds that our constituents look to the
2 Commonwealth Legislature to work on their behalf and provide transparency and access to
3 open government on matters that significantly impact their quality of life. That is why
4 stability, transparency, efficiency and continuity in the governance systems that our citizens'
5 are most immediately concerned with, is so necessary. That is why, our priority here at the
6 Legislature is to place our citizens at the center of our government. The concept that good
7 governance relies on good citizenry is important, since our democracy is based on a
8 symbiotic relationship which provides a balance that can only be achieved by working
9 together.

HOUSE BILL 20-155, HD1

1 The Legislature also finds that the foundation of democracy is based on governments
2 being answerable to their citizenry and, as such, having a responsibility to provide
3 information regarding government operations, most notably in regards to how taxpayer
4 dollars are spent. The Legislature further finds that governments should provide such
5 information in an easily understandable and accessible manner. Financial reports are often
6 too lengthy and too technical for the average person to understand.

7 Taxpayers are entitled to transparent financial management information, and we
8 believe that there is an obligation to provide such information. Unfortunately, governments
9 often fail to meet their reporting needs, and that poor performance has created a problem of
10 trust between citizens and their government. Governments need new and innovative means
11 of communicating to overcome these challenges. Therefore, it is the intent of the Legislature
12 to ensure that our government provides more readily available and understandable
13 information to the people of the Commonwealth.

14 **Section 2. Enactment.** The following is enacted subject to revision by the
15 Commonwealth Law Revision Commission:

16 **“Section 101. The Citizen-Centric Report.**

20 fiscal year, every secretary, director, administrator, president or head of a
21 Commonwealth government agency, including line departments and agencies,
22 autonomous and semi-autonomous agencies, public corporations, the Mayor’s Offices

HOUSE BILL 20-155, HD1

1 Municipal Councils and boards and commissions shall submit to the Public Auditor
2 and the presiding officers of the Legislature, in electronic format an annual Citizen-
3 Centric Report. The Citizen-Centric Report shall be posted on the entity's website
4 and the websites of the Office of the Governor, the CNMI Legislature, and Office of
5 the Public Auditor.

6 (c) Content Guidelines.

7 (1) Page one of the Citizen-Centric Report should include a brief table of

12 report based on a summary of the entity's key missions and/or services and
13 possible outcome measures.

14 (3) Page three of the Citizen-Centric Report should provide a clear
15 snapshot of financial data as it relates to the performance report presented in
16 page two. This portion of the report should address the entity's cost for services
17 provided and by what means those costs were covered.

18 (4) Page four of the Citizen-Centric Report should present the entity's
19 forecast of future challenges and economic outlook.

20 (5) Miscellaneous information, including, but not limited to, information
21 sources, entity contact information, and feedback options, may be included in
22 sections throughout the report.

HOUSE BILL 20-155, HD1

1 (d) Design Guidelines. The design of a Citizen-Centric Report is just as
2 important as the content. A report will only be effective if it is read and referenced;
3 thus, it should be visually appealing. The Office of the Public Auditor shall provide
4 assistance and guidelines for the design of Citizen-Centric Reports, including
5 suggestions for design considerations of visual appeal and readability, physical
6 layout, colors, images and graphics, and type and fonts. The Office of the Public
7 Auditor shall also provide suggestions for publishing software and report distribution.

5 the Office of Public Auditor and shall be available without fiscal year limitation."

6 **Section 3. Severability.** If any provisions of this Act or the application of any such
7 provision to any person or circumstance should be held invalid by a court of competent
8 jurisdiction, the remainder of this Act or the application of its provisions to persons or
9 circumstances other than those to which it is held invalid shall not be affected thereby.

10 **Section 4. Savings Clause.** This Act and any repealer contained herein shall not be
11 construed as affecting any existing right acquired under contract or acquired under statutes
12 repealed or under any rule, regulation, or order adopted under the statutes. Repealers
13 contained in this Act shall not affect any proceeding instituted under or pursuant to prior law.
14 The enactment of the Act shall not have the effect of terminating, or in any way modifying,
15 any liability, civil or criminal, which shall already be in existence on the date this Act
16 becomes effective.

HOUSE BILL 20-155, HD1

1 **Section 5. Effective Date.** This Act shall take effect upon its approval by the
2 Governor, or its becoming law without such approval.
