INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees Marianas Public Land Trust

Report on the Financial Statements

We have audited the accompanying financial statements of the Marianas Public Land Trust (MPLT), a component unit of the Commonwealth of the Northern Mariana Islands (CNMI), which comprise the statements of financial position as of September 30, 2020 and 2019, and the related statements of revenues, expenses and changes in net position and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Marianas Public Land Trust as of September 30, 2020 and 2019, and the changes in its net position, and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Tel Nos. (670) 235-8722 (670) 233-1837 Fax Nos. (670) 235-6905 (670) 233-8214 333 South Marine Corps Drive Tamuning, Guam 96913 Tel Nos. (671) 646-5044 (671) 472-2680 Fax Nos. (671) 646-5045 (671) 472-2686

Emphasis of Matter

We draw attention to Note 10, which discloses the economic uncertainties that have arisen as a result of the declared outbreak of a coronavirus (COVID-19) pandemic by the World Health Organization. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 4 through 11 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Marianas Public Land Trust's basic financial statements. The Combining Statement of Net Position, of Revenues, Expenses and Changes in Net Position and of Cash Flows (pages 39 through 41), the Schedules of Investments - General Fund and Park Fund (pages 42 through 59) and the Schedule of Administrative Expenses Compared to Budget (page 60) are presented for purposes of additional analysis and are not a required part of the basic financial statements. The Combining Statement of Net Position, of Revenues, Expenses and Changes in Net Position and of Cash Flows, the Schedules of Investments -General Fund and Park Fund and the Schedule of Administrative Expenses Compared to Budget are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Combining Statement of Net Position, of Revenues, Expenses and Changes in Net Position and of Cash Flows, the Schedules of Investments - General Fund and Park Fund and the Schedule of Administrative Expenses Compared to Budget are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 9, 2021, on our consideration of the MPLT's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the MPLT's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the MPLT's internal control over financial reporting and compliance.

COMMONWEALTH OF THE NORTHERN MARIANA ISLANDS

As management of the Marianas Public Land Trust (MPLT), we offer readers of MPLT's financial statements this narrative overview and analysis of the financial activities of MPLT for the year ended September 30, 2020. This Management's Discussion and Analysis should be read in conjunction with the audited financial statements.

Implementing Authority

The origins of MPLT are found in both the Constitution of the Commonwealth of the Northern Mariana Islands and Public Law (P.L.) 94-241, Covenant to Establish a Commonwealth of the Northern Mariana Islands in Political Union with the United States of America. The Covenant contains key provisions, which are fundamental to MPLT's development. Article VIII, Section 802 requires that certain lands be made available to the United States Government by lease in order for it to carry out its defense responsibilities. These lands consist of 7,203 hectares on Tinian, 72 hectares at Tanapag Harbor in Saipan, and the entire island of Farallon de Medinilla, comprising of approximately 83 hectares.

Article XI, Section 6 of the Constitution as amended, provides for the establishment of MPLT upon the effective date of the Constitution. Some excerpts pertaining to the operating requirements of MPLT are:

- "... The number of trustees appointed by the Governor with the advice and consent of the Senate shall be ...[five]. Three shall be from Saipan, one from Rota and one from Tinian. At least one trustee shall be a woman and at least one trustee shall be of Carolinian descent. The trustees shall serve for a term of six years ... [shall] be staggered."
- "... The trustees shall make reasonable, careful and prudent investments."
- "... The trustees shall ...[use] the interest on the amount received for the lease of property at Tanapag Harbor for the development and maintenance of a memorial park. The trustees shall transfer to the general revenues of the Commonwealth the remaining interest accrued ...[except] that the trustees may retain the amount necessary to meet reasonable expenses of administration."
- "... The trustees shall make an annual written report to the people of the Commonwealth accounting for the revenues received and expenses incurred by the Trust and describing the investments and other transactions authorized by the trustees."
- "... The trustees shall be held to strict standards of fiduciary care.

Management's Discussion and Analysis, continued

Implementing Authority, continued

Article VIII, Section 803 of the Covenant describes the lease terms for the above properties. The Commonwealth will lease the property to the United States for 50 years with the United States having the option of renewing the lease for all or part of the property for an additional term of 50 years. The United States will pay the Commonwealth, in full settlement of the two 50 year lease terms, the total sum of \$19,520,600 determined as follows:

- Tinian Island property \$17.5 million;
- Saipan Island property located at Tanapag Harbor \$2 million;
- Farallon de Medinilla Island \$20,600.

The above sum will be adjusted by a percentage, which will be the same as the percentage change in the United States Department of Commerce composite price index from the date of signing the Covenant. Additional terms and conditions of this lease are found in the Technical Agreement Regarding Use of Land to Be Leased by the United States, which was executed simultaneously with the Covenant.

This was the initial source of the funding to MPLT from the Marianas Public Land Corporation (MPLC), i.e., \$23,942,602 allocated to the MPLT General Fund and \$2,000,000 allocated to the MPLT Park Fund, was received as follows:

Initial Distributions Received From MPLC

<u>Date</u>	Amount
July 19, 1983	\$ 5,000,000
January 20, 1984	100,000
February 17, 1984	14,080,046
April 13, 1984	5,958,700
August 27, 1984	 803,856
Total	\$ 25,942,602

Management's Discussion and Analysis, continued

Subsequently, the Marianas Public Land Corporation and its successors, including the Marianas Department of Public Lands Authority (MPLA), Department of Public Lands (DPL), made additional distributions, which were treated as General Fund principal contributions, as follows:

Distributions Received From MPLA

<u>Date</u>	<u>A</u>	<u>Amount</u>		
May 11, 1991	\$	500,000		
December 20, 1991		500,000		
Sub-total		1,000,000		

Distributions Received From DPL

Date	Amount
	·
September 19, 2007	1,250,000
August 4, 2008	3,500,000
November 23, 2011	1,000,000
December 31, 2013	307,109
June 6, 2014	996,743
December 30, 2014	5,000,000
April 11, 2016	800,334
February 1, 2018	866,339
September 17, 2018	1,501,174
May 3, 2019	3,000,000
May 6, 2019	345,700
May 15, 2019	2,414,477
August 19, 2019	567,508
Sub-total	21,549,384
Total	\$ 22,549,384

The total principal contributions received from the leasing of public land distributed to MPLT from MPLC or its successor entities is \$48,491,986.

Constitutional Mandate

The Trustees are mandated to make prudent and reasonable investments derived from public land leases and transfer the interest earned, less reasonable expenses of administration, to the General Revenues of the Commonwealth for appropriation by the Legislature. The Trustees continuously monitor its investment portfolio to ensure an adequate risk-adjusted rate of return is achieved.

Management's Discussion and Analysis, continued

Financial Highlights

The following financial highlights are taken from the audited financial statements for the years ended September 30, 2020, and 2019.

- The assets of MPLT increased in 2020 by \$3,694,563 over the amount at 2019. This was due primarily to the increase of the fair market value of the investments.
- Total liabilities for 2020 increased by \$513,907 from 2019 due primarily to net changes to amounts due to brokers, accounts payable and accrued expenses.
- The above changes resulted in an increase of \$3,180,656 in total fund balance for 2020.
- Total revenues of MPLT are a combination of (1) gains (losses) attributable to the valuation of investments plus (2) income earned on such investments and (3) distributions received from DPL. Total operating revenues for 2020 and 2019 were \$6,296,529 and \$5,990,526, respectively.
- The total performance of MPLT for 2020 and 2019 was 5.8% and 5.7%, respectively.
- The overall administrative costs for 2020 decreased by \$105,291 or 9%, under the amount of 2019. This was due primarily to the decrease of service fee for money management administration which has an annual cost of approximately \$200,000.

MPLT General Fund Operations

The investment income (excluding net increase in fair value of investment) for 2020 and 2019 was \$3,258,240 and \$3,730,074, respectively.

Distributions to the CNMI General Fund paid for 2020 and 2019 were \$2,009,929 and \$2,265,081, respectively. The cumulative amount distributed to the CNMI General Fund since inception in 1983 has been \$65,565,782. This has occurred while growing the principal fund by \$51,358,743 for the same time-period. MPLT's General Fund's annual returns for both 2020 and 2019 was 5.8%.

The loan made to the Northern Marianas Housing Corporation (NMHC) became non-performing when NMHC defaulted in 2007 when P. L. 10-29 and 12-27 were repealed per P.L. 15-48. MPLT negotiated a settlement agreement wherein \$2,025,000 was paid and the related loan portfolio was transferred to MPLT. MPLT is currently managing these loans and attempting to recover its \$8.9 million original principal. Due to collection uncertainty for this investment, a write-down of value amounting to \$2,274,000 was recognized by MPLT as of September 30, 2020 (net current value is \$2,677,964).

Management's Discussion and Analysis, continued

Commencing in FY 2019, MPLT established a term loan with the Commonwealth Health Center Corporation (CHCC) in the amount of \$2,850,000 to secure a repayment method for the revolving lines of credit advanced to it from prior years. The terms of this loan required monthly payments of \$53,783 over a five-year period at an interest rate of 5%. When CHCC was established as an autonomous entity, it lacked sufficient working capital. To alleviate this dire situation, MPLT establish a revolving annual line of credit in the amount of \$3,000,000. Since this time, CHCC has consistently made the monthly payment on the term loan. The balance of the term loan currently is \$1,840,622. Additionally, another loan to CHCC was made in the amount of \$328,655 to establish an electronic health record system. This additional loan was repaid leaving only the current term loan.

During FY 2019, the CNMI was hit by Super Typhoon Yutu causing widespread damage inflicting substantial costs well beyond the normal operating cost of the government. To pay emergency disaster relief and recovery expenses incurred by the Commonwealth because of this devastation, a loan was approved by the Legislature to authorize the borrowing of \$15 million from MPLT at the rate of 7.5%. The loan is to be repaid from the annual distribution MPLT makes to the CNMI General Fund. The period of the loan was established to be the length of time necessary to accomplish the repayment as the annual distribution is not known. The balance of this loan currently is \$12,675,319.

Cash and cash equivalents at beginning of year		1,637,305	3,347,034
Cash and cash equivalents at end of year	\$	2,899,356	1,637,305

The statements above are inclusive of amounts due from the Park Fund of \$5,273 that are eliminated in the accompanying financial statements.

Capital Assets

At September 30, 2020 and 2019, MPLT had \$254,719 and \$271,874, respectively, in capital assets, net of accumulated depreciation where applicable, including furniture, fixtures and equipment, vehicles and land, which represent a net decreases in 2020 of \$17,155 and in 2019 of \$32,933. See note 4 to the financial statements for more information on MPLT's capital assets.

MPLT Park Fund Operations

The MPLT Park Fund is part of the overall trust fund but is separately managed and accounted for due to its funding source and a different beneficiary as compared to the MPLT General Fund. The Park Fund's annual return for 2020 and 2019 was 5.9% and 5.1%, respectively. As stated previously, the Park Fund received its initial principal funding from the lease proceeds of a portion of the Tinian, Tanapag Harbor, Farallon de Medinilla land lease revenues. The \$2,000,000 for the Tanapag Harbor in Saipan was dedicated to the formation of the American Memorial Park.

Management's Discussion and Analysis, continued

The income on this principal contribution can only be used for the maintenance and development of the American Memorial Park (AMP). Accordingly, this initial principal contribution has been prudently managed since 1983 and has grown to \$10,140,619.

As part of a plan to make some of the principal available for development of the AMP, MPLT entered into a loan arrangement with the Commonwealth Development Authority on November 30, 2001 to lend them \$2,000,000 to be "matched" with CIP funding grants in order to make the following additions and upgrades to the Park:

1.	American Memorial Park Visitor/Cultural Center	\$ 1,305,200
2.	American Memorial Park Marianas Memorial Garden	514,000
3.	Remodel and Upgrade Amphitheater	1,310,800
4.	Exhibit Design and Construction of Visitor Center	870,000
	Total	\$ 4,000,000

This loan has been repaid from the income realized on the Park Fund investments. As income was received, the principal portion of the payment was taken from the income stream and transferred to principal and re-invested. The term of the loan was fifteen years at an annual rate of 6.5%, but is subject to the net operating income available each year. It is through this mechanism that MPLT has been able to benefit the Park and sustain new development.

Mandates

It is the intention of the Trustees to continue to provide financial assistance to the American Memorial Park in accordance with the terms of the Constitution and Covenant. It has been through MPLT's stewardship of the Park Fund assets that the developments in the AMP have occurred. The Trustees plan to continue this past record of achievement and use it as a basis for further enhancements of the facility, which benefits the Commonwealth as a whole.

Economic Outlook

2020 economy was comparable to 2019, and MPLT continued to add value to the portfolio. The outlook for 2021 initially appeared to be strong, but the advent of the COVID pandemic has set economic progress back causing many uncertainties and high volatility. But even with these major issues, MPLT returns exceeded the return for 2020. The Trust has a long term time horizon. Accordingly, the Trust is continuously reviewing options to its current investment allocation in order to manage its risk-adjusted yields. The Trust may make changes to its asset allocation, but the basic investment approach will remain the same.

Contacting the MPLT's Financial Management

This report is designed to provide the branches of the Commonwealth Government and the public at large with a general overview of MPLT's finances and to show MPLT's accountability for the money it manages. The Management's Discussion and Analysis for the year ended September 30, 2020 is set forth in the report on the audit of MPLT's financial statements, which is dated September 9, 2021. The Discussion and Analysis explains the major factors and context relating to the 2020 financial statements. If you have questions about this report or the 2020 report or need additional financial information, contact the MPLT office, P.O. Box 501089, Saipan, MP 96950 or phone at (670) 322-4401 or email mplt@mplt.gov.mp.

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

(1) Organization and Purpose

The Marianas Public Land Trust (MPLT), a component unit of the Commonwealth of the Northern Mariana Islands (CNMI), was formed on January 9, 1978, pursuant to the ratification and adoption of the Constitution of the CNMI, Covenant to Establish a Commonwealth of the Northern Mariana Islands in Political Union with the United States of America (the Covenant), and Technical Agreement Regarding Use of Land to be Leased by the United States in the Northern Mariana Islands.

MPLT did not become operational until May 17, 1983, when its Trustees were appointed by the Governor with confirmation by the Senate.

The purpose of MPLT is to manage all monies received by it from the CNMI Department of Public Lands (DPL) for the use of public lands. DPL has the responsibility to manage the public lands and distribute to MPLT all revenues net of reasonable expenses of administration.

MPLT's responsibility is to make reasonable, careful and prudent investments with respect to monies received from DPL. The Trustees have taken the position that their duty to the beneficiaries is not only to provide income to the general fund of the CNMI but also to preserve the principal of MPLT. As such, MPLT is currently allocating capital gains and losses on equity investments to principal fund balance. These capital gains and losses are not considered to be available for distribution to the general fund of the CNMI. Other forms of income on investments, after deduction of amounts necessary to meet reasonable administrative expenses, are distributed to the general fund of the CNMI.

MPLT is also responsible for carrying out the intention of Article VIII, Section 803(e) of the Covenant, by establishing a separate trust fund for the development and maintenance of an American Memorial Park. The Trustees are allocating capital gains and losses on equity investments of this trust fund to the principal of the trust fund. Other forms of income on investments, after deduction of amounts necessary to meet reasonable administrative expenses, are to be used for the development and maintenance of the American Memorial Park.

(2) Summary of Significant Accounting Policies

The accounting policies of MPLT conform to accounting principles generally accepted in the United States of America, as applicable to governmental entities, specifically trust funds. MPLT utilizes the flow of economic resources measurement focus. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

(2) Summary of Significant Accounting Policies, Continued

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Accounting

The financial statements of MPLT for the years ended September 30, 2020 and 2019 have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America, which requires the use of management estimates. Under this method, revenues are recorded when earned and expenses recorded at the time liabilities are incurred.

Concentrations of Credit Risk

Financial instruments which potentially subject MPLT to concentrations of credit risk consist principally of cash demand deposits, investments, and notes receivable to CNMI government agencies.

At September 30, 2020 and 2019, MPLT has cash deposits and investments in bank accounts that exceed federal depository insurance limits. MPLT has not experienced any losses in such accounts.

Cash and Cash Equivalents

For purposes of the statement of net position and cash flows, MPLT considers all cash held in demand accounts with initial maturities of ninety days or less to be cash and cash equivalents. At September 30, 2020 and 2019, total cash and cash equivalents was \$3,132,688 and \$1,792,951, respectively, and the corresponding bank balances were \$203,180 and \$344,523, respectively, which were maintained in financial institutions subject to Federal Deposit Insurance Corporation (FDIC) insurance.

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

(2) Summary of Significant Accounting Policies, Continued

Cash and Cash Equivalents, continued

At September 30, 2020 and 2019, unrestricted cash and cash equivalents consisted of the following:

	<u>2020</u>	<u>2019</u>
Custodian money market sweep deposits Deposit with federally insured banks	\$ 2,929,508 <u>203,180</u>	\$ 1,448,428 344,523
	<u>\$ 3,132,688</u>	\$ 1,792,951

As of September 30, 2020 and 2019, custodian money market sweep deposits of \$2,929,508 and \$1,448,428, respectively, are held and administered by an investment manager subject to Securities Investor Protection Corporation (SIPC) insurance up to \$250,000 with coverage in excess of SIPC provided by a supplemental insurance policy through certain underwriters with a per client aggregate limit of \$1.9 million.

CNMI law does not require component unit funds to be collateralized and thus MPLT's funds are uncollateralized. Accordingly, the deposits are exposed to custodial credit risk.

Investments

Custodial credit risk for investments is the risk that in the event of the failure of the counterparty to the transaction, MPLT will not be able to recover the value of investment or collateral securities that are in the possession of an outside party.

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of debt instruments.

Concentration of credit risk for investments is the risk of loss attributed to the magnitude of an entity's investment in a single issuer. GASB Statement No. 40 requires disclosure by issuer and amount of investments in any one issuer that represents five percent (5%) or more of total investments for MPLT. As of September 30, 2020 and 2019, MPLT's investment in U.S. government bonds constituted 5% and 6%, respectively, of its total investments.

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

(2) Summary of Significant Accounting Policies, Continued

Investments, continued

Marketable securities held for investment purposes are stated at fair value using quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability (i.e., the exit price) in an orderly transaction between market participants at the date as of which the fair value of an asset or liability is determined. Fixed income securities are reported at amortized cost with discounts or premiums amortized using the effective interest method subject to adjustment for market declines judged to be other than temporary.

MPLT values its investments at fair value in accordance with GASB Statement 72. MPLT's investments as of September 30, 2020 and 2019 (with combining information as of September 30, 2020) are as follows:

		General Fund	Park Fund	<u>2020</u>	<u>2019</u>

Notes to Financial Statements September 30, 2020 and 2019

(2) Summary of Significant Accounting Policies, Continued

Investments, continued

MPLT has selected a custodian for both funds who shall maintain custody of all cash, securities and other assets of MPLT and shall credit interest and dividends on said securities and credit principal paid on called or matured securities of MPLT. The custodian shall provide, on a timely basis, a monthly statement of all assets, to include an accounting of all activity during that month. The investment held and administered by the investment manager is subject to SIPC coverage of up to \$500,000 (inclusive of the \$250,000 cash balance protection coverage) and supplemental insurance for amounts in excess of SIPC coverage through certain underwriters, subject to an aggregate firm-wide cap of \$1 billion with no per client sublimit.

The Trustees may engage the services of an investment consultant after a competitive search process. The investment consultant chosen shall demonstrate professional experience of at least ten (10) years with exclusive focus on Institutional Management Consulting.

When evaluating potential Investment Management Consulting Firms, the Trustees will consider at a minimum the following criteria:

- Must be a Registered Investment Advisor with exclusive focus on providing objective investment management consulting at an institutional level, having the support of a staff and/or organization, focused and experienced in consulting only.
- The candidate should be objective, free of conflict of interest and free to secure services from leading third-party providers that will best suit the interest of MPLT.
- Firms must demonstrate experience in the breadth and depth of its professional staff.
- Ability to provide unbiased fiduciary and financial advice to public trusts.
- Knowledge of legislative, operational and legal aspects of the local public trusts.
- Ownership or ready access to relevant and comprehensive performance databases with proven and verifiable process for the institutional client.
- Ability to provide quantitative analysis of manager and total fund performance. In particular, attribution analysis to maintain the interests of the management styles and strategic asset allocation.
- Ability to provide on-going training.

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

(2) Summary of Significant Accounting Policies, Continued

Investments, continued

- Firms must be recognized as having substantial experience in the institutional level investment management consulting field. Firms offering consulting as incidental to their securities business may not be considered.
- May not be an investment manager with discretion over MPLT assets.

The Trustees have determined that the following investment policy will govern the investment of assets of MPLT:

- (i) The Trustees, with the assistance of the investment consultant, will select appropriate investment managers to manage MPLT assets. Investment managers must meet the following minimum criteria:
 - 1. Be a bank, insurance company, investment management company, or investment adviser as defined by the Registered Investment Advisers Act of 1940 or equivalent as might be determined appropriate by the Trustees.
 - 2. Provide historical quarterly performance numbers calculated on a time-weighted basis, based on a composite of all fully discretionary accounts of similar investment style, reported gross of fees.
 - 3. Provide performance evaluation reports prepared by an objective third party that illustrate the risk/return profile of the manager relative to other managers of comparable investment style.
 - 4. Provide detailed information on the history of the firm, key personnel, key clients, fee schedule, and support personnel.
 - 5. Clearly articulate the investment strategy that will be followed and document that the strategy has been successfully adhered to over time.
 - 6. Selected firms shall have no outstanding legal judgments or past judgments that may reflect negatively upon the firm.
- (ii) Every money manager selected to manage MPLT assets must adhere to the following guidelines:

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

(2) Summary of Significant Accounting Policies, Continued

Investments, continued

- 1. The following securities and transactions are not authorized unless receiving prior Trustees approval:
 - Letter stock and other unregistered securities; commodities or other commodity contracts; and short sales or margin transactions.
 - Securities lending; pledging or hypothecating securities.
 - Investments in the equity securities of any company with a record of less than three years of continuous operation (including the operation of any predecessor) and investments for the purpose of exercising control of management are all restricted.

2. Domestic Equities:

- Equity holdings in any one company should not exceed more than 10% of the market value of MPLT's equity portfolio.
- Investments in any one sector should not be excessive.
- The manager may emphasize quality in security selection of the specific style hired to manage and may avoid risk of large loss through diversification within its mandated style.
- The managers may have the discretion to invest a portion of the assets in cash reserves when they deem appropriate. However, the managers will be evaluated against their peers on the performance of the total funds under their direct management.
- Holdings of individual securities may be large enough (round lots) for easy liquidation.

3. Domestic Fixed Income:

• All fixed-income securities held in the portfolio may have a nationally recognized credit quality rating of no less than "BBB" from Moody's, Standard & Poor's and/or Fitch. U.S. Treasury and U.S. government agencies, which are unrated securities, are qualified for inclusion in the portfolio.

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

(2) Summary of Significant Accounting Policies, Continued

Investments, continued

- 3. Domestic Fixed Income, continued
- No more than 20% of the market value of the fixed income portfolio may be rated less than single "A" quality, unless the manager has specific written authorization.
- The exposure of the portfolio to any other issuer, other than securities of the U.S. government or agencies, may not exceed 10% of the market value of the fixed income portfolio.

4. Diversified Local Investments

MPLT establishes within the Domestic Fixed Income Asset Class a class for Diversified Local Investments ("DLI"). DLIs are those investments which originate from within the CNMI without regard to each island. The touchstone of classification within DLI is that investment vehicles in this class may be unique or specially targeted towards the CNMI economy or market.

DLI refers to investments that are structured or designed to encourage a diversification of investments by MPLT within the CNMI. With DLIs, MPLT seeks to structure or consider investment vehicles which provide minimal rates of market return with attending corollary benefits. Such corollary benefits may include, but are not limited to, economic development; government stabilization or stimulus programs; affordable housing programs; and scholarships. In the DLI class, the MPLT Trustees may allow for a prudent rate of return where the corollary benefits provide an attending quantifiable return to the CNMI community, particularly to persons of Northern Marianas Descent or benefit persons of Northern Marianas Descent.

To be clear, by having DLIs within this IPS MPLT does not warrant nor guarantee that it may favor investments in DLIs over more competitive investment vehicles, but only that MPLT may weigh the attending corollary benefits in determining whether to make such an investment. Expressed more emphatically, MPLT considers DLIs to be a rarely considered exception and every DLI proposal must be compelling as to its mission and purpose and beneficial in its scope and impact to the people of the CNMI. At all times full fiduciary prudence analysis and proper due diligence is required in both program development and shall be conducted on an investment-by-investment basis.

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

(2) Summary of Significant Accounting Policies, Continued

Investments, continued

4. Diversified Local Investments, continued

The MPLT Trustees recognize the importance of establishing a competitive risk-adjusted rate of return policy as part of consideration of a DLI. Every DLI proposal under consideration shall, as part of the investment analysis, identify the source of repayment of a fixed-income security such as a mortgage; surety bond; promissory note; or other security as primary consideration. Evaluating the credit-rating or the risk of the DLI or its proposer is also necessary. MPLT also anticipates that such DLI may not be marketable so that an "illiquidity premium" should be recognized or considered and added to the risk-adjusted rate.

MPLT may require that the risk-adjusted rate may be a floating rate to the appropriate pricing index and adjusted on a quarterly or semi-annual basis. MPLT may also impose a loan origination fee and assess charges for costs of administration at no less than 2% per annum; legal fees; travel/accommodations; and other necessary fees. The Local Investment program applies to the MPLT General Fund and on a limited basis to the American Memorial Park Fund. With respect to the American Memorial Park Fund, it is the Trustees' policy to entertain local investment that only benefits the American Memorial Park beneficiary.

The following constitute the basic standards of review for investments by MPLT in DLI which remain subject to the prudent investment standard and discretion of the MPLT Trustees.

- An opinion of legal counsel in standards of fiduciary care considering the prospective DLI and its terms under the applicable prudent investor standard.
- A thorough review and analysis by MPLT's financial consultant and/or investment manager as to the prospective DLI. The analysis shall examine all economic factors and address any potential or actual conflicts of interest for MPLT or its Trustees. The analysis shall also give primary attention to risk-adjusted market rates of return with particular attention as to whether the DLI involves a significantly greater than prudent financial risk of loss.
- Documentation of a complete submission of a proposed DLI meeting the requirements of a detailed business plan (if applicable).

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

(2) Summary of Significant Accounting Policies, Continued

Investments. Continued

- 4. Diversified Local Investments, continued
 - Every DLI shall be considered with respect to fiduciary prudence and without regard to political, social, or emotional factors with particular attention to the founding provisions guiding MPLT's creation: to remit interest income on investments to the General Fund.
 - Trustees shall formulate and articulate the specific and detailed investment
 guidelines for investments under any prospective DLI for which MPLT may
 wish to solicit. Such guidelines shall include the mechanics of the
 administration of the DLI; the findings as to the social or economic corollary
 benefits to the CNMI as a whole; and the consistency or adherence with
 MPLT's mission.
 - Each specific DLI may be evaluated against investments of a similar asset class.
 - MPLT may require additional conditions or impose additional terms for any DLI under consideration as part of its fiduciary analysis and no DLI may be approved until and unless it meets all the requirements imposed by MPLT.
- 5. International (Developed & Emerging Markets) Equities:
 - Equity holdings in any one company may not exceed more than 10% of the International Equity portfolio.
 - Investments in any one industry category should not be excessive.
 - Allocations to any specific country may not be excessive relative to a broadly diversified international equity manager peer group. It is expected that the non-U.S. equity portfolio will have no more than 40% of its mandated style in any one country.
 - The manager may enter into foreign exchange contracts on currency, provided that use of such contracts is limited to hedging currency exposure existing within the manager's portfolio. There may be no direct foreign currency speculation or any related investment activity.

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

(2) Summary of Significant Accounting Policies, Continued

Investments. continued

- 6. International (Developed and Emerging Markets) Fixed Income:
 - Investments in a registered mutual fund may not be held to the same restrictions as set forth below for the respective asset classes. The Trustees instead will evaluate the risk and return merits of each mutual fund employing research as provided by third party service providers such as Consultant or Morningstar.
 - Allocations to any specific country may not be excessive relative to a broadly diversified international fixed income manager peer group. It is expected that the non-U.S. fixed income portfolio will have no more than 40% of its mandated style in any one country.
 - The manager may enter into foreign exchange contracts on currency, provided that use of such contracts is limited to hedging currency exposure existing within the manager's portfolio. There may be no direct foreign currency speculation or any related investment activity.

7. Cash/Cash Equivalents:

- Cash equivalent reserves may consist of cash instruments having a quality rating of A-1, P-1 or higher. Eurodollar Certificates of Deposits, time deposits, and repurchase agreements are also acceptable investment vehicles.
- Idle cash not invested by the investment managers may be invested daily through an automatic interest-bearing sweep vehicle selected by the manager available and/or managed by the custodian.

8. Real Estate Investment Trusts (REITS):

- Investments in a registered mutual fund may not be held to the same restrictions as set forth below for the respective asset classes. The Trustees instead will evaluate the risk and return merits of each mutual fund employing research as provided by third party service providers such as Consultant or Morningstar.
- Investments in publicly-traded vehicles can offer the total real estate portfolio greater liquidity over private market opportunities; however, they tend to be more correlated with equities than private real estate investments.

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

Investments, continued

- 8. Real Estate Investment Trusts (REITS), continued
 - These investments also offer tactical return opportunities with the potential to achieve higher nominal rates of return at a level of risk equal to or lower than the private markets.
 - The maximum equity investment allocable to the public real estate portfolio shall be 10% so as to avoid the composite real estate portfolio becoming unduly correlated with the public equity markets.

9. Global Listed Infrastructure:

- Investments in a registered mutual fund will not be held to the same restrictions as set forth for the respective asset classes. The Trustees instead will evaluate the risk and return merits of each mutual fund employing research as provided by third party service providers such as Investment Consultant or Morningstar.
- Investments in publicly-traded vehicles can offer the total infrastructure portfolio greater liquidity over private market opportunities.
- These investments also offer tactical return opportunities with the potential to achieve higher current income and hedge against inflation due to the long life of physical assets and statements of cash flows.

Rebalancing Policy

The percentage allocation to each asset class may vary as much as approximately 10% depending upon the market conditions.

When necessary and/or available, cash flows will be distributed following the strategic asset allocation of MPLT. If there are no cash flows, the allocation of MPLT will be reviewed quarterly.

If the Trustees judge cash flows to be insufficient in bringing MPLT within the strategic allocation ranges, the Trustees may decide whether to effect transactions so that MPLT would fall within the allocated threshold ranges.

Frequency

In two instances, portfolio rebalancing will be necessary to remain within the target asset allocation ranges:

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

(2) Summary of Significant Accounting Policies, Continued

Investments, continued

- 1. Cash Flow Requirements
- 2. Significant Market Action

Positive cash flows should be directed to the under-weighted asset class, while negative cash flows (disbursements) should be directed away from the over-weighted asset class. This procedure is likely to be fairly routine and predictable.

Significant Market Action requires immediate action to restore asset allocation. This is neither predictable nor routine.

Liquidity

The Board Consultant may prepare anticipated expenditure requirements for each disbursement period and communicate these disbursement requirements to all affected managers with as much advance notice as possible. It is anticipated that MPLT's fixed income manager will be the initial and main conduit for contributions and disbursements. It is further anticipated that most of all such disbursements will be made from "income" generated from each account.

Social Responsibility Policy

The Trust demonstrates its concern for preservation of the environment and other social causes through its programs and activities. However, no specific constraint in regards to social causes is to be placed on its investment portfolio at this time. Constraints can be added in the future as deemed advisable by the Trustees.

Notes Receivable and Allowance for Loan Losses

Notes receivable are stated at the amount of unpaid principal, reduced by an allowance for loan losses. The allowance for loan losses is established through a provision for doubtful accounts charged to principal fund. Loans are charged against the allowance for loan losses when management believes that the collection of the principal is unlikely. The allowance is an amount that management believes will be adequate to absorb possible losses on existing loans that may be uncollectible, based on evaluations of the collectability of loans and prior loan loss experience. The evaluations take into consideration such factors as changes in the nature and volume of the loan portfolio, overall portfolio quality, review of specific problem loans and current economic conditions that may affect the borrowers' ability to pay. Write-offs against the allowance are based on the specific identification method.

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

(2) Summary of Significant Accounting Policies, Continued

Notes Receivable and Allowance for Loan Losses, Continued

Management cannot currently determine the effects of the potential foreclosure of collateralized properties associated with the loans. Accordingly, the allowance for loan losses included in the accompanying financial statements excludes the value of the possible recovery of certain loans through foreclosure.

Foreclosed Real Estate

Real estate properties acquired through, or in lieu of, loan foreclosure are to be sold and are initially recorded at fair value at the date of foreclosure less estimated selling costs, establishing a new cost basis. Valuations are periodically performed by management and adjustments are made to reflect the real estate at the lower of the carrying amount or fair value less estimated costs to sell. Operating expenses or income, reductions in estimated values, and gains or losses on disposition of such properties are charged to current operations.

Capital Assets

Capital assets are stated at cost. Depreciation is provided over the estimated useful lives of the assets through use of the straight-line method and is charged as a reduction in the investment. Current policy is to capitalize items in excess of \$250.

Retirement Defined Contribution Plan (DC Plan)

On June 16, 2006, Public Law No. 15-13 was enacted which created a defined contribution (DC) Plan, a multi-employer pension plan and is the single retirement program for all employees whose first time CNMI government employment commences on or after January 1, 2007. Each member of the DC Plan is required to contribute to the member's individual account an amount equal to 10% of the member's compensation. MPLT is required to contribute to each member's individual account an amount equal to 4% of the member's compensation. MPLT's recorded DC contributions for the years ended September 30, 2020 and 2019 were \$5,063 and \$4,171, respectively, equal to the required contributions for the year. These contributions are included in salaries and benefits expense in the accompanying financial statements.

Members of the DC Plan who have completed five years of government service have a vested balance of 100% of both member and employer contributions plus any earnings thereon.

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

(2) Summary of Significant Accounting Policies, Continued

Net Position

MPLT's net position is classified as follows:

- Net investment in capital assets; capital assets, net of accumulated depreciation.
- Restricted: net position subject to externally imposed stipulations that can be fulfilled by actions pursuant to those stipulations or that expire by the passage of time. MPLT has net position restricted for principal and income.
- Unrestricted: net position that is not subject to externally imposed stipulations. As MPLT considers all assets except investments in capital assets to be restricted, MPLT does not have unrestricted net position at September 30, 2020 and 2019.

Operating and Non-Operating Revenue and Expenses

Operating revenue and expenses include all direct and administrative revenue and expenses associated with the investments.

Nonoperating revenues and expenses result from capital and noncapital financing activities.

New Accounting Pronouncements

In May 2019, GASB issued Statement No. 91 *Conduit Debt Obligations*. The primary objectives of this Statement are to provide a single method of reporting conduit debt obligations by issuers and eliminate diversity in practice associated with (1) commitments extended by issuers, (2) arrangements associated with conduit debt obligations, and (3) related note disclosures. This Statement achieves those objectives by clarifying the existing definition of a conduit debt obligation; establishing that a conduit debt obligation is not a liability of the issuer; establishing standards for accounting and financial reporting of additional commitments and voluntary commitments extended by issuers and arrangements associated with conduit debt obligations; and improving required note disclosure. GASB Statement No. 91 will be effective for the fiscal year ending September 30, 2022.

In January 2020, GASB issued Statement No. 92, *Omnibus 2020*. The requirements of this Statement will enhance comparability in the application of accounting and financial reporting requirements and will improve the consistency of authoritative literature. More comparable reporting will improve the usefulness of information for users of state and local government financial statements.

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

(2) Summary of Significant Accounting Policies, Continued

New Accounting Pronouncements, Continued

This Statement addresses a variety of topics and includes specific provisions about leases; reporting of intra-entity transfers of assets between a primary government employer and a component unit defined benefit pension plan or defined benefit other postemployment benefit (OPEB) plan; applicability of Statement No. 73 and 84 postemployment benefits, measurements of liabilities (and assets, if any) related to asset retirement obligations (AROs) in a government acquisition; reporting by public entity risk pools for amounts that are recoverable from reinsurers or excess insurers; reference to nonrecurring fair value measurements of assets or liabilities in authoritative literature and terminology used to refer to derivative instruments. GASB Statement No. 92 was effective for the fiscal year ending September 30, 2020. The implementation of this standard did not have a significant impact on MPLT's financial statements.

In April 2020, GASB issued Statement No. 93, *Replacement of Interbank Offered Rates* (IBOR). The primary objective of the Statement is to address those and other accounting and financial reporting implications of the replacement of IBOR. GASB Statement No. 93 will be effective for the fiscal year ending September 30, 2021.

MPLT is currently evaluating whether or not the new GASB pronouncements listed above that are not yet effective will have a significant impact on MPLT's financial statements.

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

(5) Net Position

In accordance with MPLT's accounting policies, gains and losses on investments are allocated to principal. Additionally, a portion of the distribution to the CNMI government is specifically designated as an increase in principal. Movement in principal and interest accounts for the years ended September 30, 2020 and 2019, is summarized as follows:

	Principal	<u>Interest</u>	<u>2020</u>	<u>2019</u>
General Fund				
Balance at beginning of year	\$ 95,181,594	_	95,181,594	93,064,906
Net increase in the fair value of investments	2,669,135	-	2,669,135	2,116,688
Other operating net income	-	2,009,929	2,009,929	2,265,081
Transfers		(2,009,929)	(2,009,929)	(2,265,081)
Balance at end of year	\$ 97,850,729		97,850,729	95,181,594
Park Fund				
Balance at beginning of year	\$ 9,915,669	_	9,915,669	9,633,641
Net increase in the fair value of investments	511,521	-	511,521	141,035
Other operating net income	-	-	-	256,487
Transfers				(115,494)
	\$ 10,427,190		10,427,190	9,915,669

(6) Contribution To/From Primary Government

In accordance with Article XI of the Constitution of the CNMI, MPLT makes distributions to the CNMI general fund from investment income. During the years ended September 30, 2020 and 2019, MPLT recorded \$2,009,929 and \$2,265,081, respectively, of distributions to the CNMI general fund, which was offset against payments on a note receivable from the CNMI Government.

In accordance with Article VIII, Section 803(e) of the Covenant, MPLT makes operating transfers out for the development and maintenance of the American Memorial Park. During the years ended September 30, 2020 and 2019, MPLT recorded \$-0- and \$115,494, respectively, for transfers out for this purpose.

(7) Risk Management

MPLT is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. MPLT has elected to purchase commercial insurance from independent third parties for the risks of losses to which it is exposed with respect to the use of motor vehicles. Settled claims have not exceeded this commercial insurance coverage during the past three years.

(A Component Unit of the Commonwealth of the Northern Mariana Islands)

Notes to Financial Statements September 30, 2020 and 2019

(8) Commitment

In accordance with the addendum of memorandum of agreement between the CNMI and the U.S. Department of the Interior for development and management of the American Memorial Park, MPLT is obligated to contribute \$150,000 annually, to the extent of available income, for development and maintenance of the American Memorial Park.

(9) Contingency

In accordance with the Settlement Agreement with NMHC, MPLT guarantees Service Released Loans that were issued by financial institutions. At September 30, 2020 and 2019, MPLT was contingently liable to these institutions for \$371,832 and \$463,050, respectively.

(10) Coronavirus Pandemic

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S and throughout Micronesia. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, multiple jurisdictions in the U.S. have declared a state of emergency. It is anticipated that these impacts will continue for some time. As a result of the spread of the coronavirus pandemic, economic uncertainties have arisen which are likely to impact the day to day administration of MPLT. While this matter is expected to negatively impact MPLT's results of operations and financial position, the related financial impact cannot be reasonably estimated at this time.

(11) Subsequent Events

In preparing the accompanying financial statements and these footnotes, management has evaluated subsequent events through September 9, 2021, which is the date the financial statements were available to be issued. There were no such events requiring accrual or disclosure.

INDEPENDENT AUDITOR'S REPORTS ON INTERNAL CONTROL AND ON COMPLIANCE

MARIANAS PUBLIC LAND TRUST (A Component Unit of the Commonwealth of the Northern Mariana Islands)

YEAR ENDED SEPTEMBER 30, 2020

BCM, LLC

Suite 203 MH II Building Marina Heights Business Park P.O. Box 504053 Saipan MP, 96950

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees Marianas Public Land Trust

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Marianas Public Land Trust (MPLT), a component unit of the Commonwealth of the Northern Mariana Islands, which comprise the statement of net position as of September 30, 2020, and the related statement of revenues, expenses and changes in net position and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 9, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered MPLT's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of MPLT's internal control. Accordingly, we do not express an opinion on the effectiveness of MPLT's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Fax Nos. (671) 646-5045 (671) 472-2686

Compliance and Other Matters

As part of obtaining reasonable assurance about whether MPLT's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Saipan, MP
